Commissioner for Patents

Application was returned to the Examiner from the Board of Patent Appeals and Interferences to clarify the status of claim 30. The claim is rejected under USC 102(b) as being anticipated by Lu EP 0889388. In the final Office Action the Examiner inadvertently stated that the claim was also rejected under USC 103 over Lu in view of Wang. As it is clearly shown in the Examiner's answer, the claim is only rejected under 102(b) over Lu.
